

Professor Shigeru Kamiya

M.D. , Ph.D.

Curriculum Vitae

(July 2020)

Present address: Division of Medical Microbiology, Department of
Infectious Diseases, Kyorin University School of Medicine
6-20-2 Shinkawa Mitaka, Tokyo 181-8611, Japan
Tel.: +81-422-47-5511, ext. 3464
Fax: +81-422-44-7325
E-mail: skamiya@ks.kyorin-u.ac.jp

Home address: 1818-12 Tsurumaki, Hadano, Kanagawa 257-0007, Japan
Tel/Fax: +81-463-76-9170

Date of birth: 10, July, 1952

Nationality: Japanese

Education:

1978 Mar. graduated from Kanazawa University School of Medicine
(degree ; MD)

1982 Mar. graduated from Graduate School, Kanazawa University,
Department of Virology, Cancer Research Institute, Kanazawa
University(degree ; Ph.D.)

Professional Appointment:

1985 Apr. – 1986 Nov. Research associate, Department of Bacteriology, Kanazawa
University School of Medicine

1986 Dec – 1991 Mar. Lecturer, Department of Bacteriology,
Kanazawa University, School of Medicine

1987 Nov. – 1989 Feb. Visiting scientist at Microbial Pathogenicity Research Group,
Division of Communicable Diseases, Medical Research Council
Clinical Research Centre, U.K. (Supervisor : Prof. S. P. Borriello)

1991 Apr.- 1992Mar. Associate Professor, Department of Microbiology
Tokai University School of Medicine

1992 Apr – 1994 Mar. Associate Professor, Department of Infectious Diseases,
Tokai University School of Medicine
1994 Apr. -2000 Mar. Professor, Department of Microbiology,
Kyorin University School of Medicine
2000 Apr.-2018 Mar. Professor (Director), Department of Infectious Diseases,
Kyorin University School of Medicine
2009 Apr.-2018 Mar. Assistant for President of Kyorin University
2018 Apr. – 2020 Mar. Dean, Faculty of Health Sciences, Kyorin University
2020 Mar. – present Specially Appointed Professor, Department of Infectious Diseases,
Kyorin University School of Medicine

Award/Memorial lecture

1993 Mar: Kuroya Award from Japanese Society for Bacteriology
2008 May: PC Trexler Memorial Lecture at 31st International Symposium of
Society for Microbial Ecology in Health and Diseases (SOMED)
2008 May: Kitamoto Award from Japanese Society for Mycoplasma

Scientific Interest

Helicobacter, Clostridium, Mycoplasma, microbiota, probiotics

Scientific/Administration Responsibilities:

1)International Scientific Societies;

1995 - 2018 Research fellow of US-Japan Cooperative Medical Science Committee
1997 - 2004 Chairman, Medical Microbiology Interdisciplinary Commission (MEMIC)
1997 and 2017 Evaluator, Ministry of Science and Technology, Israel
2009 - present Expert Reviewer, European Science Foundation
2010 - 2017 International evaluator, International Science and Technology Center
(Moscow, Russia)
2012 International evaluator, South Africa Scientific Committee
2013 - 2017 Chairman, Working Group “Device-Related Infections and Biofilm”,
International Chemotherapy Society
2014 - 2017 President, International Association of Gnotobiology (IAG)
2019 International evaluator, Vienna Science and Technology Fund

2)Domestic Scientific Societies;

1996 – present, Councilor, Japanese Association for Infectious Diseases

1998 – present, Director, Japanese Society for Clinical Intestinal Microbiology
2003 – 2018, Director, Japanese Society for Helicobacter Research
2003 – present, Councilor, Japanese Society for Chemotherapy
2007 – 2014, President, Research Meeting of Bacterial Adherence and Biofilm
2008 – present, President, Japanese Association of Germfree Life and Gnotobiology
2009 – 2015, President, Japanese Society of Mycoplasmaology
2012-2014, President, Japanese Society for Bacteriology
2014 – present, President, Japanese Society for Biofilm Research
2019 – present, Vice-President, The Intestinal Microbiology Society

3)Journal editor

1995 – 2006, Associate Editor, Journal of Medical Microbiology
2001 – 2008, Associate Editor, Journal of Infection and Chemotherapy
2006 – 2014, Associate Editor, International Journal of Probiotics and Prebiotics
2007 – 2011, Associate Editor, Microbiology and Immunology
2008 – 2012, Associate Editor, Bioscience and Microflora
2008 – 2010, Vice Editor-in-Chief, Journal of Infection and Chemotherapy
2012 – present, Editor-in-Chief, Bioscience of Microbiota in Food and Health
2016 – 2018, Guest Editorial Members, Japanese Journal of Infectious Diseases
2017 – 2018, Guest Editor, Frontiers in Immunology
2019 – present, Associate Editor, BMC Microbiology

4)Others

1997 – 2005, Committee member for Japan International Cooperation Agency (JICA)
2000 – 2019, Evaluator, Japan Society for the Promotion of Science (JSPS)
2007 - 2019, Visiting Professor, Nippon Medical University
2007 – present, Technical Adviser, JICA (Japan International Cooperation Agency)
2010 – present, Director, Yakult Bioscience Foundation
2012 – present, Evaluation member for National Institute of Infectious Diseases
2013 – present, Committee member for Ministry of Economy, Trade and Industry
2013 – present, Evaluator, Japan Agency for Medical Research and Development
2015 – 2017, Committee member for Ministry of Health, Labour and Welfare
2018 – present, President, Ohyama Health Foundation
